**Cooking Technology** Steffan Igor Ayora-Diaz, 2015-12-17 New scientific discoveries technologies and techniques often find their way into the space and equipment of domestic and professional kitchens Using approaches based on anthropology archaeology and history Cooking Technology reveals the impact these and the associated broader socio cultural political and economic changes have on everyday culinary practices explaining why people transform or indeed refuse to change their kitchens and food habits Focusing on Mexico and Latin America the authors look at poor rural households as well as the kitchens of the well to do and professional chefs Topics range from state subsidies for traditional ingredients to the promotion of fusion foods and the meaning of kitchens and cooking in different localities as a result of people taking their cooking technologies and ingredients with them to recreate their kitchens abroad What emerges is an image of Latin American kitchens as places where traditional and modern culinary values are constantly being renegotiated The thirteen chapters feature case studies of areas in Mexico the American Mexican border Cuba Guatemala Costa Rica Venezuela Colombia Peru and Brazil With contributions from an international range of leading experts Cooking Technology fills an important gap in the literature and provides an excellent introduction to the topic for students and researchers working in food studies anthropology history and Latin American studies

*The Making of Brazil's Black Mecca* Scott Ickes, Bernd Reiter, 2018-10-01 One of the few interdisciplinary volumes on Bahia available The Making of Brazil's Black Mecca Bahia Reconsidered contains contributions covering a wide chronological and topical range by scholars whose work has made important contributions to the field of Bahian studies over the last two decades The authors interrogate and problematize the idea of Bahia as a Black Mecca or a haven where Brazilians of African descent can embrace their cultural and spiritual African heritage without fear of discrimination In the first section leading historians create a century long historical narrative of the emergence of these discourses their limitations and their inability to effect meaningful structural change The chapters by social scientists in the second section present critical reflections and insights some provocative on deficiencies and problematic biases built into current research paradigms on blackness in Bahia As a whole the text provides a series of insights into the ways that inequality has been structured in Bahia since the final days of slavery

**The Emergence of National Food** Atsuko Ichijo, Venetia Johannes, Ronald Ranta, 2019-02-21 What do deep fried mars bars cod and Bulgarian yoghurt have in common Each have become symbolic foods with specific connotations located to a very specific place and country This book explores the role of food in society as a means of interrogating the concept of the nation state and its sub units and reveals how the nation state in its various disguises has been and is changing in response to accelerated globalisation The chapters investigate various stages of national food its birth emergence and decline and why sometimes no national food emerges By collecting and analysing a wide range of case studies from countries including Portugal Mexico the USA Bulgaria Scotland and Israel the book illustrates ways in which various social forces work together

to shape social and political realities concerning food The contributors hailing from anthropology history sociology and political science investigate the significance of specific food cultures cuisines dishes and ingredients and their association with national identity In so doing it becomes clearer how these two things interact and demonstrates the scope and direction of the current study of food and nationalism *Nourishing the Nation* Venetia Johannes,2019-11-04 In the early twenty first century nationalism has seen a surprising resurgence across the Western world In the Catalan Autonomous Community in northeastern Spain this resurgence has been most apparent in widespread support for Catalonia s pro independence movement and the popular assertion of Catalan symbols culture and identity in everyday life *Nourishing the Nation* provides an ethnographic account of the everyday experience of national identity in Catalonia using an essential everyday object of consumption food As a crucial element of Catalan cultural life a focus on food provides unique insight into the lived realities of Catalan nationalism and how Catalans experience and express their national identity today **Flour** Christine McFadden,2018-07-12 Grains and pulses nuts and seeds recipes from breads and tortillas to pancakes and pies In this timely new book Christine McFadden explores the way in which flour has been a staple part of our diet and provides a comprehensive look at the alternatives to traditional wheat flour With an increasing and at times bewildering choice of flours available online and in shops this book follows a usable A Z format providing a CV of sorts for each flour including plant source gluten content protein content flavour profile and how best to use Each of the flours featured is accompanied by suggested recipes from Christine s kitchen and these recipes demonstrate the often underestimated ways in which flour is used Flours range from cassava and quinoa to cricket flour and coffee flour with delicious recipes such as cheddar and chilli cornbread using amaranth flour salted chocolate tart with buckwheat and walnut pastry spicy onion pancakes using moong dal and spring lamb pot pies with tradition plain wheat flour Recipes are accompanied by beautiful photography to bring the dishes to life **Popular Culture, Identity, and Politics in Contemporary Catalonia** Alessandro Testa,Mariann Vaczi,2023-09-12 How does popular culture reflect and shape identity politics in the secessionist climate of contemporary Catalonia *Culture, Identity and Foodways of the Terengganu Chinese* Tan Yao Sua,Kamarudin Ngah, The Chinese minority in Terengganu Malaysia are struggling to maintain their Sinic culture identity and community in the face of socio political changes and Islamisation since the early 1970s They are also facing problems due to population attrition from an outflow of the younger generation to larger cities in Malaysia for jobs and further education The acculturated Terengganu Peranakan Chinese descendants of the earliest settlers who arrived at least two centuries ago face additional inter generational tensions and challenges This book is based on extensive interviews and fieldwork and includes an overview of the role of the Kuala Terengganu Chinese associations in promoting traditional Chinese culture and identity a study of the Peranakan Chinese in Tirok to further examine issues of identity maintenance and identity shift and a comparison between the foodways of the Tirok Peranakan Chinese with a similar rural Peranakan community in the neighbouring state of

Kelantan to demonstrate the community's continual negotiation of Sino Malay identity *Relocating the Sacred* Niyi Afolabi, 2022-11-01 Although Brazil is home to the largest African diaspora the religions of its African descendants have often been syncretized and submerged first under the force of colonialism and enslavement and later under the spurious banner of a harmonious national Brazilian character *Relocating the Sacred* argues that these religions nevertheless have been preserved and manifested in a strategic corpus of shifting masks and masquerades of Afro Brazilian identity Following the re-Africanization process and black consciousness movement of the 1970s to 1990s Afro Brazilians have questioned racial democracy seeing how its claim to harmony actually dispossesses them of political power By embracing African deities as a source of creative inspiration and resistance Afro Brazilians have appropriated syncretism as a means of not only popularizing African culture but also decolonizing themselves from the past shame of slavery This book maps the role of African heritage in and relocation of the sacred to three sites of Brazilian cultural production ritual altars literature and carnival culture

**Extraordinary Risks, Ordinary Lives** Beata Świtek, Allen Abramson, Hannah Swee, 2022-03-25 This book untangles the relationship between expert categorisations of risk and the on the ground experiences of untrained ordinary people who may be routinely subjected to significant danger in a variety of extraordinary contexts It considers political ethical and moral dimensions of risk and calls for more targeted ethnographic research designed to reveal how grass roots risk dispositions and practice intersect with official discourses individual agency and community resilience

**The Anthropology of Latin America and the Caribbean** Harry Sanabria, 2019-03-26 This wide ranging introduction to the anthropology of Latin America and the Caribbean offers broad coverage of culture and society in the region taking into account historical developments as well as the roles of power and inequality The chapters address key topics such as colonialism globalization violence religion race and ethnicity gender and sexuality health and food and emphasize the impact of Latin American and Caribbean peoples and cultures in the United States The text has been thoroughly updated for the second edition including fresh case studies and new chapters on independence neoliberalism and immigration and popular culture and the digital revolution Students are provided with a solid overview of the major contemporary trends issues and debates in the field Each chapter ends with a summary up to date recommendations for viewing films videos and websites and a comprehensive bibliography for further reading and research

**The Fight Against Hunger and Malnutrition** David E. Sahn, 2015-05-21 Advances in science and policy during the past 50 years have prevented the predicted widespread food shortages as the world's population soared Malnutrition however remains prevalent This book details strategies and practical approaches designed to alleviate hunger and malnutrition in a new era where technological change markets patterns of governance and social programs have an increasingly global dimension More specifically this book addresses a range of considerations including the role of small farmers in a world where the global reach of multinational corporations have enormous control from the farm to local markets and the grocery store misgivings and misperceptions about genetically

modified foods the increasing competition of food and energy sectors for agricultural output the importance of micronutrient deficiencies and chronic disease related to obesity which often coexists in the same communities as hunger and issues of sustainability of the food and agricultural system in an period when there is increasing concerns over global warming and environmental degradation Currently there is also more emphasis on evidence based policymaking which has raised the standard of proof for evaluating the impact of micro level interventions that have traditionally been so widely embraced and are now under increased scrutiny It is in this context that this book provides practical advice on programs that can effectively target those at greatest risk of malnutrition and guidance on policies to promote a healthy and sustainable food and agricultural system Overlaying all of these challenges is the book s emphasis on both identifying data and information needs for decision making and practical considerations for better understanding the domestic and international political and social constraints that need to be addressed when trying to translate scientific knowledge and information into practice

**Gastronativism** Fabio Parasecoli, 2022-07-05 Winner Gourmand World Cookbook Awards Food Food Heritage USA Nominee Book Award in Food Issues and Advocacy James Beard Foundation The Italian political right is outraged by halal tortellini and a pork free lasagna served at the Vatican In India Hindu fundamentalists organize attacks on Muslims who sell beef European anti immigrant politicians denounce couscous and kebabs In an era of nationalist and exclusionary movements food has become a potent symbol of identity Why has eating become so politically charged and can the emotions surrounding food be redirected in a healthier direction Fabio Parasecoli identifies and defines the phenomenon of gastronativism the ideological use of food to advance ideas about who belongs to a community and who does not As globalization and neoliberalism have transformed food systems people have responded by seeking to return to their roots Many have embraced local ingredients and notions of cultural heritage but this impulse can play into the hands of nationalist and xenophobic political projects Such movements draw on the strong emotions connected with eating to stoke resentment and contempt for other people and cultures Parasecoli emphasizes that gastronativism is a worldwide phenomenon even as it often purports to oppose local aspects and consequences of globalization He also explores how to channel pride in culinary traditions toward resisting transnational corporations uplifting marginalized and oppressed groups and assisting people left behind by globalization Featuring a wide array of examples from all over the world Gastronativism is a timely incisive and lively analysis of how and why food has become a powerful political tool [Formação da culinária brasileira](#) Carlos Alberto Dória, 2021-09-15 O que constitui a culinária brasileira Quais s o suas bases hist rico sociais Combinando erudi o e clareza s lida pesquisa e estilo pol mico Carlos Alberto D ria apresenta em Forma o da culinária brasileira a trajet ria de nossa cozinha desde os tempos coloniais at os dias de hoje Uma surpreendente hist ria do Brasil mesa emerge de ensaios que propiciam tanto ao especialista quanto ao leigo uma nova vis o sobre os ingredientes as t cnicas culin rias e os processos sociais que levaram cria o dos h bitos alimentares e dos pratos nacionais Cl ssico do g nero no Brasil o livro ganha nesta nova edi o da F
